Strategic Resourcing

Goals

• St Kevin's is committed to the ongoing resourcing of the school environment which supports contemporary learning through sustainable practices.

• Supported by Student First Funding teachers will actively engage and collaborate with colleagues in professional learning activities.

Strategies

• Release teachers to collaborate with their peers to promote implementation of professional strategies to support key focus areas e.g: School wide literacy project.

• Commence process and application for a government block capital grant to assist in the construction of a new toilet block.

• School Administration to review the financial stewardship in budgeting processes and purchasing processes.
**Mission and Religious Education**

**Goals**
- St Kevin’s is committed to teaching and fostering the spirituality of all in our worshipping community, by nurturing a love and respect for God, which is explicitly articulated within the faith tradition of the Catholic Church.
- Led by the school's RE implementation team, develop a contemporary curriculum plan which acknowledges a deep understanding of Catholic and broader faith traditions, aligning with the new Archdiocesan Religious Education Curriculum.

**Strategies**
- Provide information and reflections from staff already in programmes to encourage further members of staff to join the Catching Fire programme in 2015.
- In 2015, supporting the Parish Sacramental Programmes and Family Masses, St Kevin’s school will provide opportunities for students through the religious education programme to grow in faith and spirituality and a desire to receive the sacraments of the Catholic Church.
- Invite a new member to join the implementation team to replace Nicole Sinopoli.
- Prepare and work through the process in order to meet validation requirements.

**Learning & Teaching**

**Goals**
- Implement a comprehensive plan in order to develop capacities to utilise ICLTs to improve learning and teaching.
- Continue to develop and implement new subject areas in the Australian Curriculum with particular focus on Technologies.
- Fully engage all staff in the LEARN components of the Delivering Excellence in Learning and Teaching Strategy.

**Strategies**
- Develop an updated annual plan (timeline) for ongoing maintenance and resourcing which includes the one to one program.
- Provide staff with release time and resources to begin to explore and implement the Technologies Curriculum. (Design and Digital)
- Commit to the BCEO project and professional advice in order to implement a literacy program at St Kevin’s.

**Professional Practice & Collaborative Relationships**

**Goals**
- St Kevin's values leadership structures and professional practices that support collaborative relationships within and beyond the school environment.

**Strategies**
- Maximise staff expertise through participation in collaborative teams, eg leadership, student support, environmental, religious education and literacy teams.
- Promote participation of parents in the school community eg. P & F, school board, fete and school volunteers.
