Week Two is done and dusted and the first fete meeting for 2013 is drawing near!

**NEW FETE LOGO**

Below is the new Fete Logo and theme for our 2013 Fete – “Celebrating Family and Community”

**STALL CONVENORS**

Thank you to all those who have taken up the call to be stall convenors already but we are still in need for some stall convenors. Listed Below are the stalls we need to fill with a convenor and a brief description of what running the stall entails:

**Bar:** Being responsible for the sale of alcohol on the day. All drinks and cold-room will be organised for you so basically it is just setting up the bar on the Friday night and then run the bar on the day of the fete. Your Class Parent will assist you in preparing a roster of helpers.

**Drinks:** Being responsible for the sale of soft drinks and water on the day. All drinks and cold-room will be organised for you so basically it is just setting up the stall on the Friday night and then stocking up the stall with drinks and ice on the day of the fete. Your Class Parent will assist you in preparing a roster of helpers.

**Plants:** This is one of the stalls where the St. Kevin’s Children really love to help! Basically between now and the fete you and a group of friends can pot plants from cuttings and bring them to school where we can care for them with the help of the Crusaders. In previous years we have also had the children from Prep to grade three “Grow a Plant” which we can then sell at the fete. So if you have an interest in plants or some sort of green finger – this is the stall for you! Your Class Parent will assist you in preparing a roster of helpers.

**Chocolate Drop / Pick a Stick Novelty Stall:** This is one of the novelty stalls where all that is required is attendance on the day. All the prize and items needed to run the stall are provided and it just involves setting up the stall on the Friday afternoon and manning the stall with friends on Fete Day - your Class Parent will assist you in preparing a roster of helpers.

**Devonshire Tea:** This stall involves provision of Tea & Coffee with some afternoon tea. You can decide to bake if you like or we can source pastries from a local bakery. How you decide to run this is totally up to you! We can offer as much support as you need and like other stalls, your Class Parent will assist you in preparing a roster of helpers.

**Grocery Wheel:** This stall is one of the easiest to run and is perfect for a friendship group to take on. Before Fete day we will source 10-15 prizes which include: Meat Tray’s, Grocery Hampers, Alcohol Hampers etc.. and then on Fete day you are required to sell 100 tickets per item. Once all tickets have been sold you spin the giant wheel – award the prize and move onto the next one. Your Class Parent will assist you in preparing a roster of helpers if you need extra ticket sellers.

**NEXT FETE MEETING**

Next Fete meeting will be WEDNESDAY NIGHT, 13th February, at 6pm in the staff room. (Right before the P&F Meeting). Can I ask all convenors to come along as well as anyone who might have an interest in filling one of the blank spots or wanting to offer advice. Also feel free to contact me at anytime on Ph. 0407 171 090 or email sstanford72@hotmail.com if you have a query.

Scott Stanford
P&F President
