ST KEVIN’S SCHOOL PRESENTS
A PARENT INFORMATION NIGHT

READING IN THE EARLY YEARS

This workshop will be presented by the Prep, Year 1 and Learning Support Teachers. They will discuss topics regarding reading at home as well as the approaches used in reading at school. Parents who have attended in previous years have commented on how helpful they have found the information and how they have been able to use the information to enhance their child’s reading development. The workshop is particularly beneficial to parents of younger children however everyone is encouraged to attend.

During the school presentation Teachers will cover:
- Sight words - how to practise and reinforce them at home
- Phonics - our approach at St Kevin’s
- Importance of comprehension
- Reading strategies to encourage
- How to do a home reading lesson
- Use of ipads, tablets, computers and other technology to assist reading development
